CoderDojo

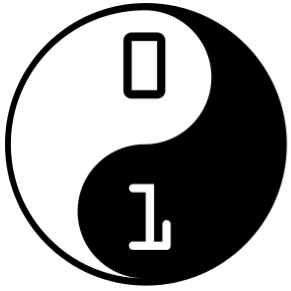
CoderDojo The global network of free computer programming clubs for young people.

Independent, volunteer led programming clubs

Collaborative, youth centric & fun learning!

Developing coding skills and more...

Free, open and inclusive, always



CoderDojo

The CoderDojo movement believes that an understanding of programming languages is increasingly important in the modern world, that it's both better and easier to learn these skills early, and that nobody should be denied the opportunity to do so.

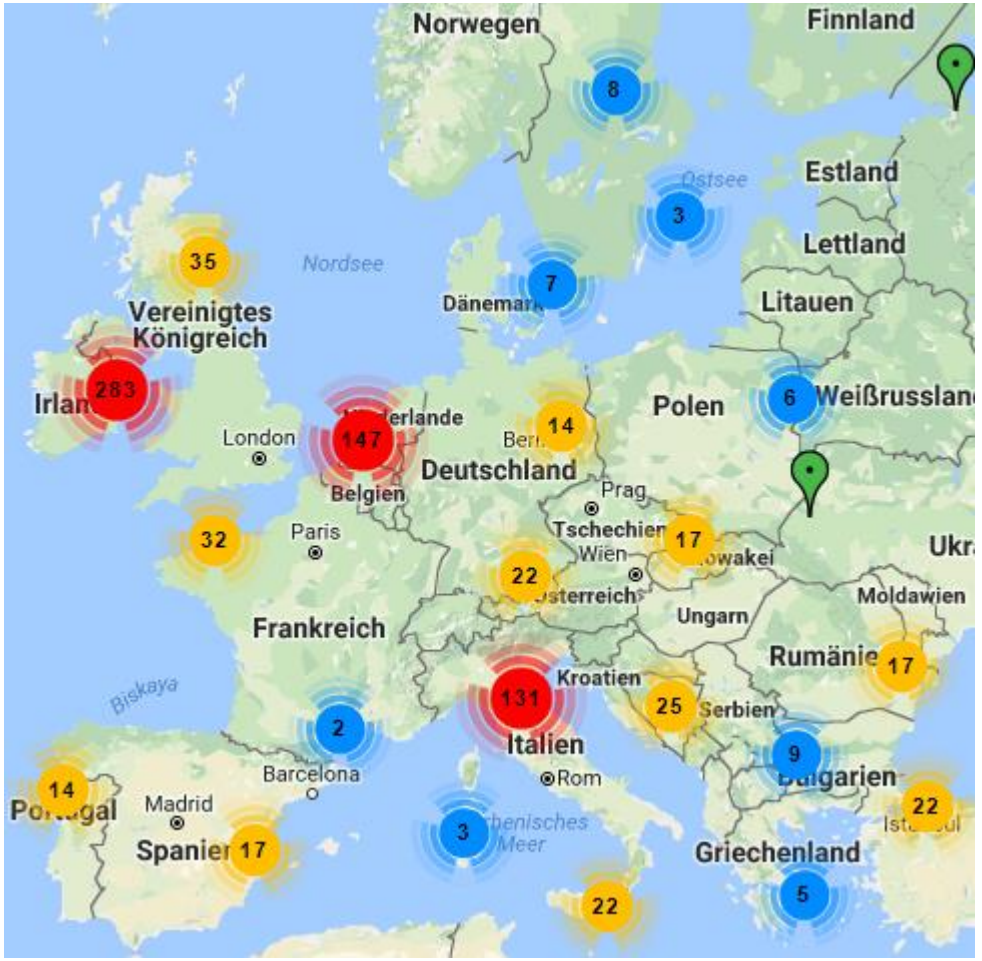
CoderDojo in Europa ...



CoderDojo

Misson ...

- Development and support of new CoderDojos
- Strengthening the community in Germany
- Events around the topic „Children learn programming“

Aim: Every child in Germany should have the possibility to visit a CoderDojo!
